

The Riverview Rams Football Golf Tournament has become one of the most enjoyable and entertaining golf outings in Sarasota. The Ram family grows each year, and this event has grown tremendously as we celebrate our 14th Annual Golf Tournament.

Proceeds from this event will help support our 5-time consecutive District Champion program head into another safe, healthy and successful season. The funds will be used to purchase items such as helmets, protective equipment, training equipment and uniforms, as well as allow the teams to travel comfortably whenever or wherever competition may take us!

With the difficulty over the last year for the entire Ram Nation, the event will be a great time to pull together and support our boys and the program! After a fun-filled day of golf, plan to end the day with our annual luncheon, highlighted by the entertaining and amusing auction.

Thank you for your continued support as we look forward to having another fun filled and memorable day.

Josh Smithers
Head Football Coach
